April 11, 2017

The Candia Community Woman's Club (CCWC) is an organization of women in the Candia, NH area who use their talents and enthusiasm to benefit their community by promoting its civic, educational, cultural and social welfare. Each year, the CCWC sponsors fundraisers to raise money to assist residents of the town of Candia as well as other deserving agencies.

CCWC is excited to announce our **7th annual Touch a Truck Event** to benefit **The heifer project international!**

A "Touch a Truck" event is a community wide event where kids (and adults) have the opportunity to see, touch, interact with and learn about dozens of cool vehicles. From fire trucks to motorcycles, cement trucks to police cars, monster trucks to garbage trucks - how often does anyone get to look inside any of these unusual vehicles and get to talk to someone who operates them? Kids of all ages love these loud and unique vehicles.

**How can you help?** This event allows groups and businesses, both public and private, to show off their vehicles and have a positive interaction with the public. Almost any unusual vehicle fits the bill for a "Touch a Truck" event. It is important to have the vehicle operator in attendance to talk about the vehicle and its operation. They are also in charge of how much access the public is allowed to have to their vehicle. Companies are also encouraged to hand out promotional materials as well.

If interested in attending our event on June 24, 2017, please fill out the registration form enclosed and return it by June 05th. Please e-mail a photo of the vehicle that you will be bringing so we can post it on our event page to [hummingbird7305@yahoo.com](mailto:hummingbird7305@yahoo.com). If you have any questions, please feel free to contact me. Thank you for your support!

Sincerely,

Beth Chalbeck  
Touch-a-Truck Coordinator
